Contract for the development of the website has been signed with Sage Island. The new website will enhance visibility for us and streamline the process.

DISCUSSED THE RESULTS FROM THE JOURNALISM FORUM: 84 attendees, lost some money on the evening but the public goodwill and visibility for adult ed. was positive. We should do more of these events. Usage of the Learning Center at CCHS was a good location. Taping results of the evening will be ready soon.

Take away from the event: Better coverage from the Concord Journal needed, Professors could have been more instructive, Power pt. format would have been helpful. Figure out a way to make money on future events.
